

15CSE376 – Net Centric Programming - Instructions for Term 1 project review

1. The Term 1 project review for the course is split into 2 parts namely:
 - a. Online exam using AMPLE – 19th September 2020, 9 AM – 9:15 AM
 - b. Review using Microsoft Teams – same day after the online exam from 9:30 AM onwards
2. Students should ensure that they have decent internet connectivity and power backup for mobile/laptop to attend the quiz and review
3. The quiz will start at 9:00 AM on 19th September 2020 and will be conducted for a duration of 15 minutes
4. The questions will be of MCQ/fill-in-the-blanks type with 10 questions each carrying one mark. There is a negative marking of 0.5 marks for wrong answers
5. Students should login into AMPLE by 8:45 AM using their credentials
6. Password for the examination will be given by the respective class handling faculty by 8:58 AM.
7. The weightage for the online quiz is 10 marks and shall be counted towards viva
8. Reviews will start at 9:30 AM in Teams
9. The sequence of presentation will be shared with the students. Student groups should be available online 10 minutes before the stipulated time
10. The call in Teams will be made to 1 student in the group. It is the responsibility of that student to all other members to the call
11. Each group will be given 20 minutes for their presentation and queries from the panel.
The student needs to explain and demonstrate only his/her module to the panel
12. Re-quiz and re-review will not be possible
