HTML EVALUATION LAB – 31.7.2020

Design a HTML page with the following specifications:
- Divide the page into two horizontal frames with split (30, 70)
- The top frame contains the logo and scrolling text.
  Logo:

Scrolling text: Welcome to Amrita Vishwa Vidyapeetham

- Bottom frame is divided into 3 vertical frames (25, 50, 25).

a.   The first frame holds the hyperlinks (i to v) for the page to be loaded into centre frame when clicked:

i.   Home
ii.   Registration form
iii.   Feedback form
iv.   Administration details
v.   Contact information (Table)

b.   The third frame holds the achievements by the university (An image map to redirect to various achievements page (sports, academics, cultural)

Image(to be considered as a single unit):
